

# WEBELOS OVERNIGHT

NOVEMBER 14-16, 2014

Saddleback Butte State Park

\$10.00 per person does not include food.

Food: Friday Night's dinner & Saturday's lunch not included.  
(Saturday's breakfast and dinner will incur a separate charge).

Scouts will have an opportunity to be in a Boy Scout patrol and experience a working Boy Scout troop. Patrols will work together to build large water balloon launching catapults. The idea is to see which patrol can launch balloons the farthest. Catapults are assembled using Boy Scout knots, lashings and wooden slaves—all important scouting skills.

In the afternoon, Patrols will work on the Cooking Merit Badge by preparing their own dinner. Saturday evening (weather permitting) we will honor flags by retiring them respectfully in a Flag Retirement Ceremony (scouts need to be in Class A).

Webelos will be given the opportunity to earn the **Outdoorsman Badge** required for Arrow of Light. Check with a den leader to get it signed off, and make sure everything is done correctly.

\*Webelos will need proper leadership; this is not a drop-off. Please bring tents, sleeping bags and all items needed for a camping weekend. Dressing in layers, works best! Plenty of water is a must!

Proper medical forms, tour permits and permission slips are the responsibility of the Webelos Leader.
